

## AT&T Carrier Telephone Service

TOTLCOM is an Authorized Agent for AT&T. AT&T believes that this synergistic approach helps to achieve optimal customer satisfaction. TOTLCOM is not only trained through AT&T on their services and offerings, but also has knowledge and experience across a wide range of technology areas, from hardware and software to networking.

You can obtain most AT&T business offerings by contacting our office. The price to you is the same. However, telecommunications is our business and what we do best. We recommend giving us the task for obtaining services through AT&T and then if problems arise with your AT&T service, just call us. It's one less thing you'll have to address that will give you the opportunity to give your attention to what you do do best - your business.

Check out these other great reasons to utilize TOTLCOM as an Authorized Agent with AT&T:

A single source for all of your business communications needs.

- AT&T's world-class service and network reliability
- Personalized service and support
- A synergistic approach between TOTLCOM and AT&T whose capabilities complement each others
